STATEMENT PROVIDING MASTER DOCKET

Mail Stop Petitions
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Date: March 31, 2009

Sir:

Applicants provide the attached “master docket.” The attached document is a report that was run on June 4, 2008, the date that a response to the office action was originally due. The undersigned’s law firm runs such “daily dockets” every day and each such report includes those matters that have something due on that particular day. The attached report lists five matters. One matter was due on June 4, 2008 and the other three were actually due the next day, June 5, 2008. These were the matters that had something due on June 4th or 5th. The matter at hand has the attorney-docket number of 2085-04100 and, as can be seen, that matter is not listed on the undersigned’s daily docket. If the matter at hand had been received, it would have been docketed for a response to be filed by June 4, 2008. Because the office action was not received, its response was not docketed as is evidenced by the attached daily docket where it would have been listed if it had been received.

Respectfully submitted,

/Jonathan M. Harris/
